# PRESENTATION OF THE 25 GOVERNOR'S AWARDS OF EXCELLENCE

**The Artist:** Boryana Rusenova Ina is a visual artist from Bulgarian origin, who currently lives in Columbus, Ohio. She graduated from Columbus College of Art and Design in 2006 with a focus on fine arts. Later on she obtained her postgraduate degree in art, design and architecture education from the Glasgow School of Art in Scotland. She works in mixed media and has exhibited around Columbus, in Scotland, and in her hometown Plovdiv, Bulgaria. Living in the metropolitan city of Glasgow as a graduate student inspired Boryana to use urban spaces as her subject matter. Her latest paintings describe the city as a lyrical space of pattern, movement, and chaos. Boryana's work is included in the Greater Columbus Arts Council Collection, Chemical Abstracts Collection and Plovdiv Cultural Center Permanent Collection in Bulgaria. She currently teaches in the fine arts and foundation department at the Columbus College of Art and Design. Boryana's work is represented by Art Access Gallery in Bexley, Ohio.

**The Award:** The award was created following a collage technique Boryana incorporates in her mixed media work. It is a combination of digital photography, painting and drawing that creates a distorted sense of space. The different media overlaps seamlessly creating a constructed reality: a place that is familiar, yet imaginary. Her work does fall in the spectrum of 'representational art' but questions how what we see as 'real' is often a manipulated image.

## THE OHIO GOVERNOR’S YOUTH ART EXHIBITION

The Ohio Governor’s Youth Art Exhibition, now in its forty-first year, is dedicated to the educational and artistic advancement of our talented young people in the state of Ohio. The Exhibition is open to all of Ohio’s 1,052 high schools, both public and private, chartered by the State of Ohio Department of Education. Our purpose is to provide all budding young artists of the state with opportunities to advance their talent, whether that be through scholarships or simply experiencing the process of entering their work in a competition. The Exhibition is a valuable incentive for our young people; it encourages an appreciation for the arts throughout Ohio and reflects the fine quality of art instruction and talent that exist in our state.

The process of selecting art works for the State Exhibition begins on a regional level. The state is divided into 15 regional locations, with high school students in each region invited to enter work in that regional judging. Each region has a designated Regional Director, who is responsible for choosing the judges for his or her region and arranging specifics of the event.

This state judging takes place in Columbus; however, the judges for this level of competition are chosen from all over the country and are generally professional artists themselves, college level instructors, or both.

From the 12,000 regional entries from the 15 regions, approximately 3,000 are selected to enter the state judging. State jurors then select 300 for the actual Exhibition, with 25 of the 300 chosen to receive the Governor’s Award of Excellence. Scholarships are offered to seniors by more than 30 universities and colleges of art. The selection of students to be offered scholarships is left strictly up to those institutions who offer them. The Governor’s Exhibition is merely a vehicle through which schools and students are brought together.

The Exhibition opens at the James A. Rhodes State Office Tower, across from the state capitol, in April and closes near the end of May. An awards ceremony is held at the Riffe Center Capitol Theatre in the students’ honor prior to the opening. The attendance at the awards ceremony is over 700 and the Exhibition attendance is at least 1,200. At the Exhibition awards ceremony, students receive Awards of Excellence and scholarship awards.
