THE OHIO GOVERNOR’S YOUTH ART EXHIBITION

The Ohio Governor’s Youth Art Exhibition, now in its fifty-second year, is dedicated to the educational and artistic advancement of our talented young people in the state of Ohio. The Exhibition is open to all of Ohio’s 1,052 high schools, including public, private, and home schools, chartered by the State of Ohio Department of Education. Our purpose is to provide all budding young artists of the state with opportunities to advance their talent, whether that be through scholarships or simply experiencing the process of entering their work in a competition. The Exhibition is a valuable incentive for our young people; it encourages an appreciation for the arts throughout Ohio and reflects the fine quality of art instruction and talent that exist in our state.

The process of selecting artworks for the State Exhibition begins on a regional level. The state is divided into 15 regional locations, with high school students in each region invited to enter work in that regional judging. Each region has a designated Regional Director, who is responsible for choosing the jurors for their region and for arranging specifics of the event.

The state judging takes place in Columbus; however, the jurors for this level of competition are chosen from all over the country and are generally professional artists themselves, college level instructors, or both.

From the 8,069 regional entries, entered by 3,133 students from the 15 regions, 1,300 were selected to enter the state judging. State jurors then selected 348 pieces for the actual exhibition, with 25 of the 348 chosen to receive the Governor’s Award of Excellence. Scholarships are offered to seniors by more than 25 universities and colleges of art. The selection of students to be offered scholarships is left strictly up to those institutions who offer them. The Governor’s Exhibition is merely a vehicle through which schools and students are brought together.

The Exhibition opens at the James A. Rhodes State Office Tower, across from the State Capitol, in April and closes near the end of May.
